Fill in the values for the all mandatory fields in the page.. 11. Click 'Save' button. 12. Search username in the 'System users' list. User is displayed in the list. The 'System user' page is displayed. 13. In the "System Users" section search the default username: "andreeaion" 14. Observe that the user "andreeaion" is displayed in the list. 15. Logout from OrangeHRM 16. Login again with credentials: "Admin/admin123" 17. Navigate to Admin>> User Management>> Users 18. In the "System Users" section search again the username: "andreeaion" (created in the above steps) <p>Actual result: After the search action is performed the user "andreeaion" is not displayed in the list of users logins. The message "No Records Found" is returned. See attachments.</p> <p>Expected result: After the search action is performed the user "andreeaion" is successfully displayed in the list of users logins and it can be selected.</p>			
Source	Story	PC-69	As an Admin i want to be able to add ESS-Supervisor/ESS-Employee	Testare Manuala	Medium	Done	23/Jul/22 6:23 AM	04/Aug/22 10:24 AM	<p>To add a system user, go to Admin>> User Management>> Users and click "Add", a screen as shown in Figure 1.2 would appear.</p> <p>Click "Save" once the fields are added.</p> <p>*Note: An employee list needs to be created first under the PIM Module to create user logins. Alternatively, a user login could be created when adding employees under the PIM Module (refer to Chapter 6.3.)</p> <p>To create a user login the following needs to be entered:</p> <ul style="list-style-type: none"> • User Role: You can assign user roles for each user whether they would fall under as an "Admin" or "ESS" user type to define their user rights. • ESS: limited access to the system. <p>It could be an ESS-Supervisor or ESS-Employee.</p>			PC-70 , PC-71

Source	Bug	PC-97	[PIM tab] Employee List tab is not working properly	Testare Manuala	Medium	Done	04/Aug/22 8:40 AM	04/Aug/22 10:23 AM	Precondition : Login into the application using URL: https://opensource-demo.orangehrmlive.com/ with the credentials: Username: Admin, Password: admin123. Steps to reproduce: 1. Navigate to 'PIM' tab, select 'Configuration' then 'Optional Fields'/'Custom Fields'/'Reporting Methods'/'Termination Reasons'. 2.Navigate to 'PIM' tab, select 'Add Employee'. 3. Verify which section is displayed in the 'PIM' tab. Actual result: In the 'PIM' tab, 'Employee List' is displayed regardless of which section was selected. Expected result: In the 'PIM' each section is displayed when it is selected.
