Description

An employee list needs to be created first under the PIM Module to create user logins. Alternatively, a user login could be created when adding employees under the PIM Module (refer to Chapter 6.3.)

Precondition :

- Login into the application using URL: https://opensource-demo.orangehrmlive.com/ with the credentials: Username: Admin, Password: admin123.

Test Step	Test Data	Expected Result
1. Navigate to 'PIM' tab, select 'Add Employee'		'Add Employee' page was loaded.
2. Fill in the values for the all mandatory fields in the page.	First Name : Andreea Last Name: Ion	All values were added successfully.
3. Click on "Save" button.		'Personal Details' page of the previously created employee is loaded.
4. Navigate to 'PIM' tab, select 'Employee List'		'Employee Information' page and the employee list are loaded.
5. Search "Employee Name' in the employee list	Employee Name : Andreea Ion.	User is displayed in the list.
